all of the Company that they have been forced to make under circumstances beyond their control to sit up and prepare at great expense the above building for the purpose of being used as a theatre. Everything has been made as comfortable and complete as possible. The Hall has been renovated, and all the necessary arrangements are carefully made for the ventilation, and attention is called to the fact that this will be used for lighting the building. The Manager would further say that if the theatre and industry will secure the patronage of the Public, he has no fears for the result. It is the intention of the Manager to produce during the Season the following pieces—
